We only got tonight,
so we might as well live it.
Time is moving fast,
so we better roll with it.
And who knows where we'll wake up,
when the Party ends.
Cause tomorrow we'll doing it all over again.
We got our Speakers fuzzing loud,
cause they're on full blast.
Looking at your pretty girl, as Ä° drive on past.
Ä° bet your Mama told you stay away from boys like
me.
But what she doesn't know is, things about to get
messy.
Tear it up now, let'get crazy, bring the roof down.
Tonight we can be Superstars!

Hey Girl What's your Name?
What's your Number?
Do you have a Boyfriend?
You look like you need one.
Hey Girl, it's okay it's okay.
Just make him your ex, then Ä° can be your next one.
Woah Woah
What's your Number, Girl?
Woah Woah

Give me your Digits pretty.
Please can you tag me in a Picture?
And make your Status read,
yeah Ä° wanna get with you.
Ä° couldn't give a Shhh about your History,
cause all Ä° care right now is you and me.
Tear it up now, let's get crazy, bring the roof down.

Tonight we can be Superstars!
