Action

Iâ€™ve been wanting to be here with you  
All this time

Traction

I have tracked down the answers and clues  
Passing me by

Free when you order

No, donâ€™t distort her  
I am so happy  
With my amplifier

Pick up the pieces

Time to move on  
All systems clear  
Back in control  
Iâ€™m glad to be here  
Glad to be here  
Glad to be here  
Glad to be

Right here

Iâ€™ve been saving some stories for you  
All this time  
I will never settle for anything less  
I will not rest  
Free with my laser  
No, you canâ€™t faze her  
You canâ€™t deny me  
My red explorer
