Oh baby I'm gonna have to count to ten
Because you been taking notice
Of your so called friends
Your not always gonna think about
Happiness and love for you now

Don't come easy
Don't come easy
We got to work hard at it
Everything we do
We got to work hard at it
Ah ah ah I'm telling you

Oh baby think of the love we lost
It's worth trying something other than being the boss
So let's get it together and give it just one more chance
While I like this song and dance

Don't come easy
Don't come easy
We got to work hard at it
I'm telling you
We got to work hard at it
Everything you do

Don't come easy
Don't come easy
Don't come easy
Don't come easy
We got to work hard at it
Everything we do
We got to work hard at it
Everything we do
We got to work hard at it
Everything everything everything
We got to work hard at it
I'm telling you
We got to work hard at it
I'm telling you
We got to work hard at it
Whoa
