I can't help myself  
Baby, I've tried and I've tried  
But I just don't want nobody else  
You did this to me

You lit a fire that's still burning  
Down deep in my soul  
And now you expect me  
To just let you go

Don't hate me for lovin' you  
It's all that I know to do  
You're my everything  
Oh, oh, don't ask me to give you up  
I live for your tender touch

Oh, don't be so mean  
Don't hate me for lovin' you  
Don't hate me for lovin' you  
Don't hate me for love, lovin' you

Dreams, you're still in my dreams  
Sometimes so real  
That I still feel you  
Lying right here next to me

I'm so sorry I called, I know it's late  
And the last thing you  
Want me to say is I miss you  
A little bit more everyday

Don't hate me for lovin' you  
It's all that I know to do  
You're my everything  
Oh, oh, don't ask me to give you up  
I live for your tender touch

Oh, don't be so mean  
Don't hate me for lovin' you  
Don't hate me for lovin' you  
Don't hate me for love, lovin' you  
Don't hate me for love, lovin' you
