I cant help myself, baby, Ive tried and Ive tried but I just
dont want nobody else

Cause you did this to me, you lit a fire thats still
burning down deep in my soul

And now you expect me to just let you go

Dont hate me for lovin you, its all that I know to do,
youre my everything

Whoo, oh, dont ask me to give you up, I live for your
tender touch, oh, dont be so mean

Dont hate me for lovin you, dont hate me for lovin you,
dont hate me for love, lovin you

Dreams, youre still in my dreams, sometimes so real
that I still feel you lying right here next to me

Im so sorry I called, I know its late and the last thing
you want me to say is

I miss you a little bit more everyday

Dont hate me for lovin you, its all that I know to do,
youre my everything

Whoo, oh, dont ask me to give you up, I live for your
tender touch, oh, dont be so mean

Dont Hate Me for Loving You -

Dont hate me for lovin you, dont hate me for lovin you,
dont hate me for love, lovin you

Dont hate me for love, lovin you
