Driving until I get there
Gonna keep on driving no where fast
All right I'm driving till I get there
Gonna keep on driving no where fast

City to city I'm hopping state to state
So many roads I don't know which one to take
Nobody pushing no one holding me back
And coast to coast I gotta be making my tracks
Hands on the wheel got my foot on the gas
I got no future got no past

Driving until I get there
Gonna keep on driving no no no no where fast
All right I'm driving until I get there
Gonna keep on keep on driving no where fast

I'd like to stop here but I got to go
Got all the answers but I still don't know
Keep on running away from my fate
Just one more time cause it's never to late
Hands on the wheel got my foot on the gas
I got no future got no past

Driving until I get there
Gonna keep on driving no no no no where fast
I'm driving until I get there
Gonna keep on driving no where fast
All right
Keep on driving just keep on driving
Just keep on driving just keep on driving
Just keep on
Keep on driving just keep on driving
Just keep on driving
Just keep on
All right all right
Driving until I get there
Hey ya
Driving no where fast
Whoa whoa
Keep on driving just keep on driving

Just keep on driving just keep on driving
Gonna keep on keep on driving
Keep on driving just keep on driving
Just keep on driving just keep on driving
Whoa whoa
Driving until I get there
Yeahhhhh
Driving no where fast
Whoa
Keep on driving just keep on driving
Just keep on driving just keep on driving
Just keep on
Keep on driving just keep on driving
Just keep on driving just keep on driving
Whoa
Driving until I get there
Gonna keep on driving no where fast
No where fast
