Let's get to the bottom to the bottom of this
Let's get to the bottom to the bottom of this Ha hey to
the bottom of this
Let's get to the bottom to the bottom of this
Gotta break the ice your a man of nice
Out of the box you shouldn't even fuss
Hey can't get enough well that's tough
Ignorance is bliss till you found out what you missed

Let's get to the bottom to the bottom of this
Let's get to the bottom to the bottom of this
Ha hey to the bottom is this
Let's get bottom to the bottom of this
Kick down the door if you want more
Don't ask me why don't ask me twice
When you gotta stick your nose in the grits
Now you're outta school stop playin' the fool
Get to the bottom to the bottom of this
Let's get to the bottom the bottom of this
Ha hey hey to the bottom
Let's get to the bottom to the bottom of this
Ha hey to the bottom of this
Oh hey ya
Let's get to it ya let's get on to it
Let's get to the bottom to the bottom of this
Hey hey hey ya to the bottom of this
Oww let's get to the bottom to the bottom of this
Let's get to the bottom to the bottom of this
Hey ha ha to the bottom of this
Ah you found the bottom of this
I believe I found the bottom of this
Ha hey hey ya
I believe I gotta gotta believe I found the bottom
To the bottom of this
