Ice cream cakes, lollipops babe
Aint it sweet as you know
Ice cream cakes, lollipops babe
Aint it sweet as you know
Its so nice to be loved by somebody
Somebody like you, yeah-lord
Let me tell ya now
Got lips that taste, got first romance
Drove me through, through
What ever you got babe
I'm gonna keep it
Just to share, you
Its so nice to be loved by somebody
Somebody like you
I've got this burnin desire
It just set my soul on fire
You know you filled me through and through lord
I just wanna be with you girl
Ice cream cakes, lollipop baby
Aint it sweet, as you know
Ice cream cakes, lollipops babe
Aint it sweet as you know
Its so nice to be loved by somebody
Somebody like you, Yeah yeah
