MAMA WAS ALOT LIKE JESUS

Written by: Tob Ctosby/Kelly Shiver/Ray Stephenson  
(BMI/ASCAP)

I've seen her give her last dollars to a stranger on the street  
And do without a dress she wanted so we would have enough to eat  
When the ladies at the garden club looked down their noses at her  
I watched her turn the other cheek without a bitter word

Chorus

Mama was alot like Jesus  
The way she lived and loved  
A blessed sent from heaven up above  
She would pray for our forgiveness  
And sacrifice for us  
Mama was alot like Jesus

She could stretch a bag of groceries for two weeks to keep us fed  
She could take an old potted plant and raise it from the dead  
Her words were like a healing touch when we had a broken heart

And when I wrestled with the devil, she led me through the dark

Repeat Chorus

I've got my Daddy's eyes, I've got my Daddy's hair  
But, I hope my mama's heart is inside me somewhere

('Cause) Mama was alot like Jesus  
The way she lived and loved  
A blessed sent from heaven up above  
She would pray for our forgiveness  
And sacrifice for us  
Mama was alot like Jesus

My mama was alot like Jesus
