Each time I think I'm doing alright
You come around and give me such a fright
You make me nervous (nervous nervous)
You make me nervous (nervous nervous)
Just when I'm getting my confidence back
You put me down like a rat in a trap
You make me nervous (nervous nervous)
You know you make me nervous (nervous nervous)

Oh my mind starts racing when I hear you call
It's so pathetic but it ain't my fault
You speed roll me I stand no chance at all
Cause you make me so oh (nervous)

I don't like the way you operate
I stay wounded by the
You make me nervous (nervous nervous)
You know you make me nervous (nervous nervous)
Each time I think I ain't such a mess
You come in close and you scare me to death
It makes me nervous (nervous nervous)
You know you make me nervous (nervous nervous)

Oh my mind starts racing when I hear you call
It's so pathetic but it ain't my fault
You speed roll me I stand no chance at all
Cause you make me so oh (nervous)

You make me nervous (nervous nervous)
You know you make me nervous (nervous nervous)
Oh oh

You make me nervous (nervous nervous)
Hey you make me nervous (nervous nervous)
I'm a gypsy servant and I'm a nervous wreck
I'm a I'm a I'm a I'm I'm a I'm a nervous wreck
You make me nervous (nervous nervous)
You know you make me nervous (nervous nervous)
You know you make me nervous (nervous nervous)
You know you make me nervous (nervous nervous)
You know you make me nervous (nervous nervous)

You know you make me nervous (nervous nervous)
