Why do bad things happen to good people
I don't know but they do
And why is this world full of
so much evil and so much pain - I wish I knew
When I see God I'm gonna ask him
But I don't know when that will be
But I'm One day closer to one day knowin
all the answers I've been searching for
My time on earth is getting shorter
and my list of questions keeps on growing
But I'm one day closer to one day knowin

Why is life down here such a struggle
Trouble's all I've ever known
And when I die will I go to heaven
And will it be like goin home
Will my lost loved ones be there waiting

There's no way to know right now
But I'm one day closer to one day knowin
All the answers I've been searching for
My time on earth is getting shorter
and my list of questions keeps on growing
But I'm one day closer to one day knowin
How it feels to stand among the angels
Why sometimes they don't intervene
Yea I'm one day closer to one day knowin
All the answers I've been searchin for
My time on earth is getting shorter
And my list of questions keeps on growing
But I'm one day closer to one day knowin
