Well I've led an evil life so they say
But I'll out run the devil on judgement day I said
Move hot-rod move man
Move hot-rod move man
Move hot-rod move me on down the the line oh yeah

Well me and the devil sitting on a stop light
He started rollin I was out of sight I said
Move hot-rod move man
Move hot-rod move man
Move hot-rod move me on down the the line oh yeah

Well goin pretty fast I looked behind
A here come the the devil doin ninety-nine I said
Move hot-rod move man
Move hot-rod move man
Move hot-rod move me on down the the line oh yeah
Look out

Well thought I was smart the race was won
A here come the devil doin a-hundred and one I said
Move hot-rod move man?
Move hot-rod move man
Move hot-rod move me on down the the line oh yeah
Get it Jeff

Well thought I was smart the race was won
A here come the devil doin a-hundred and one I said
Move hot-rod move man?
Move hot-rod move man
Move hot-rod move me on down the the line oh yeah

Well I've led an evil life so they say
But I'll hide from the devil on judgement day I said
Move hot-rod move man
Move hot-rod move man
Move hot-rod move me on down the the line
