Work sucks when your busting your butt
Just to come up short at the end of the month
And it's bad when your checkbook's sad
And you can't party hard 'cause there ain't no credit on
your credit card
Ain't no sense in ya getting all mad 'cause some days
are just like that

But some days are like this
You swing for the fence and you just can't miss
When life goes like you know it should
It's all good in the hillbilly hood

Everything's cool everything's right
You couldn't screw it up even if you tried
Some days are hell but the good news is
Some days are like this

Life's crap when you're sleeping on the couch
'Cause of something that you said and you gotta go
without
Yeah, it stinks when you ain't in sync with the one that
you love
And you can't find your way to the way it was
Don't write it off as a deal gone bad 'cause some days
are just like that

But some days are like this
You wake up in the morning to a smile and a big kiss
When love goes like you know it should
It's all good in the hillbilly hood

Everything's cool, everything's right
You couldn't screw it up even if you tried
Some days are hell but the good news is
Some days are like this

But some days are like this
You swing for the fence and you just can't miss
When life goes like you know it should
It's all good in the hillbilly hood

Everything's cool, everything's right
You couldn't screw it up even if you tried
Some days are hell but the good news is
Some days are like this, some days are like this
