You don't hurt a woman if you're a real man
and then turn your back on her tears
he left bruises, excuses, and promises that were
useless

baby, that's why i'm here

Chorus:

'cause i warship the woman he walked on
i'm gonna hold you at night 'till you're satisfied
and i'm gonna right all the he did wrong
i worship the woman he walked on
i won't sleep around
while you're sleepin' alone
and come home and crawl in our bed
he gave up your sweet touch and the way that you
make love

he must be out of his head

Chorus:

'cause i warship the woman he walked on
i'm gonna hold you at night 'till you're satisfied
and i'm gonna right all the he did wrong
i worship the woman he walked on
solo

Chorus:

'cause i warship the woman he walked on
i'm gonna hold you at night 'till you're satisfied
and i'm gonna right all the he did wrong
i worship the woman he walked on
yeah i warship the woman he walked on
you don't hurt a woman if you're a real man
and you don't turn your back on her tears
