OK I'll get a job on Thursday
I know it's about time
OK I'll get a job on Thursday
If you will let me hang around
OK I'll get a job on Thursday
I know it's about time
OK I'll get a job on Thursday
If you will let me hang around

I'm a lazy boy
Who never did a thing with his life
Oh I'm a lazy boy
Who always did just what he likes
I waste my mornings flat on my back
You can along and you changed all that

OK I'll get a job on Thursday
I know it's about time
OK I'll get a job on Thursday
If you will let me hang around

I'm a lazy boy
Who always had everything
I'm just a lazy boy
Who don't know how to behave
I use to stay out all night long
Too much to do and my friends were gone

OK I'll get a job on Thursday
I know it's about time
OK I'll get a job on Thursday
If you will let me hang around

OK I'll get a job on Thursday
I know it's about time
OK I'll get a job on Thursday
If you will let me hang around

OK I'll get a job on Thursday
(OK I'll bet a job on Thursday)
OK I'll get a job on Thursday

(OK I'll get a job on Thursday)
Alright I'll get a job on Thursday
(Alright I'll get a job on Thursday)
OK I'll get a job on Thursday
(OK I'll get a job on Thursday)
Oh I work all day and I slave all night
If you will give me one more chance
I'll get up and sunrise and I promise to get a job on
Thursday
Oh I'll work work work work
