My Lords I call to order
On the issue of the enviroment
Nothing is being done

My lords we can't keep dancing along
Pretending everything is just fine
The consequences are devastating
We must strike out and rescue this
Fine earth upon which we live
Mother nature as suffered far too long and quite
enough
What's she been said my lords
Nothing is being done
Nothing is being done
Nothing is being done
I repeat nothing nothing nothing is being done

Order
Order

Nothing is being done
Nothing is being done
Nothing is being done

I suggest that the floor be passed to Mr. Beck

Nothing is being done
Nothing is being done
Nothing is being done

My Lords

My Lords

The consequences are devastating

Much is being said my Lords
But nothing is being done
Nothing is being done
Nothing is being done
Nothing is being done
