Cruisin', lookin' for my gal
I'm cruisin', oh, I don't know where
I'm cruisin', lookin' for my gal
I'm cruisin' for a fight
That man with her will have tonight

Cruisin', wonder where she's at
Cruisin', oh, I don't know where
I'm cruisin', wonder where she's at
I'm cruisin' for a bruise
That man with her is gonna get, rock

Cruisin', ought to find that cat
Cruisin', so we can be a pair
Cruisin', wonderin' where she's at
I'm cruisin' for a fight
That man with her will have tonight, rock

Cruisin', lookin' for my gal
I'm cruisin', surely we could be a pair
Cruisin', wonder where she's at
Cruisin' for a fight
That man with her will have tonight, rock

Cruisin', cruisin', cruisin', cruisin'
Cruisin', cruisin', cruisin', cruisin', cruisin'
