I'm drinkin' again  
Thinkin' of when  
You left me  
That happened once so long ago

I've been havin' a few  
And wishin' that you  
Were right here by my side

Well I'm makin' the rounds  
And settin' them up  
A total stranger to myself  
I'm just makin' a fool of myself

I'm just hopin' that you'll come right back once  
someday  
But I know, I know, I know  
That there's no second time around  
Now, listen

I know, I know, I know, I know

Sure I know I can borrow a smoke  
Or sit here all night long and tell a joke  
But after all is said and done  
Who's gonna laugh?  
Who's gonna laugh at a broken, a broken heart?

I've been drinkin' again  
And thinkin' of when  
Of when you left me  
And that weren't so long ago

I've been havin' a few  
You know that you know  
And wishin' that you  
Were here right by my side

Now listen one time  
I've been drinkin' again  
I've been drinkin' again  
Sometimes I can't help myself
