You're everywhere and nowhere, baby,  
That's where you're at  
Going down the bumpy hillside in your hippie hat  
Flying across the country and getting fat  
Saying everything is groovy  
When your tires are flat

And it's hi-ho silver lining  
Anywhere you go now, baby  
I see your sun is shining but I will make a fuss  
Though it's obvious

Flies are in your pea soup, baby  
They're waving at me  
Anything you want is yours now,  
Only nothing's for free  
Life's a-gonna get you someday,  
Just wait and see  
So put up your beach umbrella  
While you're watching TV

And it's hi-ho silver lining  
Anywhere you go, well, baby  
I see your sun is shining but I will make a fuss  
Though it's obvious
