My thing

My thing

My thing

Don't you mess with me, yeah
What you looking at?
Don't mess with me, yeah
What you looking at?

Don't mess with me, yeah
What you looking at?
What you looking at?

My thing

Don't you mess with me, yeah
What you looking at?
Don't mess with me, yeah
What you looking at?

Don't mess with me, yeah
What you looking at?
What you looking at?

Don't mess with me, yeah

What you looking at?

My thing

My, my, my, my, my, my, my, my, my, my
My, my, my, my, my, my, my, my, my, my
My, my, my, my, my, my, my, my, my, my, my thing
