Each time I think I'm doing alright  
You come around and give me such a fright  
You make me nervous (nervous nervous)  
You make me nervous (nervous nervous)  
Just when I'm getting my confidence back  
You put me down like a rat in a trap  
You make me nervous (nervous nervous)  
You know you make me nervous (nervous nervous)

Oh my mind starts racing when I hear you call  
It's so pathetic but it ain't my fault  
You speed roll me I stand no chance at all  
Cause you make me so oh (nervous)

I don't like the way you operate  
I stay wounded by the  
You make me nervous (nervous nervous)  
You know you make me nervous (nervous nervous)  
Each time I think I ain't such a mess  
You come in close and you scare me to death  
It makes me nervous (nervous nervous)  
You know you make me nervous (nervous nervous)

Oh my mind starts racing when I hear you call  
It's so pathetic but it ain't my fault  
You speed roll me I stand no chance at all  
Cause you make me so oh (nervous)

You make me nervous (nervous nervous)  
You know you make me nervous (nervous nervous)  
Oh oh

You make me nervous (nervous nervous)  
Hey you make me nervous (nervous nervous)  
I'm a gypsy servant and I'm a nervous wreck  
I'm a I'm a I'm a I'm a I'm a I'm a nervous wreck  
You make me nervous (nervous nervous)  
You know you make me nervous (nervous nervous)  
You know you make me nervous (nervous nervous)  
You know you make me nervous (nervous nervous)  
You know you make me nervous (nervous nervous)
