Yes I, I am a nighthawk  
Flying to the night  
(Yes) in the dark I walk a tightrope  
Though I never slip and fall  
(That's OK)  
In the clouds there is a nighthawk  
Who can hear the midnight call  
(Hear what I say)  
And I know I can stand up on my own  
(So to speak so to speak)  
And I know I will never be alone  
(There's more like me there's more like me)  
Yes I, I am a nighthawk  
Flying into the night  
Yes I, I am a nighthawk  
Flying to the night  
(Yes) the sky is free like my spirit  
And I am going all the way  
(That's OK)  
You can see but when you hear it  
Senses tell you I don't bluff  
(Hear what I say)  
And I know I can stand up on my own  
(So to speak so to speak)  
And I know I will never be alone  
There's no like me there's more like me

Yes I, I am a nighthawk  
Flying into the night  
Yes I, I am a nighthawk  
Flying to the night  
Yes I am a nighthawk  
Flying into the night  
Yes I, I am a nighthawk  
Flying to the night  
(Yes)

And I know I will never be alone  
There's more like me  
And I know I can stand up on my own  
So to speak  
And I know I can stand up on my own

(So to speak) so to speak  
And I know I will never be alone  
There's more like me there's more like me  
Yes I, I am a nighthawk  
Flying into the night  
Yes I, I am a nighthawk  
Flying to the night  
Yes I am a nighthawk  
Flying into the night  
Yes I, I am a nighthawk  
Flying to the night
