Please Mr. Jailer
Won't you let my man go free, ohhh
Please Mr. Jailer
Won't you let my man go free

That night in October 1953
How could he be in Frisco
He was home with me

Please Mr. Jailer
Won't you let my man go free, go free

You put him in a death cell
And then you change your mind
And then when you reprieved him
You give him 99! Ohhhhh

Please Mr. Jailer
Won't you let my man go free, ohhh
Please Mr. Jailer
Won't you let my man go free

I know that no other

One will ever do
And I know the answer
Is all up to you

Please Mr. Jailer
Won't you let my man go free, go free

I've been down here so often,
You don't even ask my name.
And if you keep him all his life,
I'll be here just the same, ohhhh

Please Mr. Jailer
Won't you let my man go free, ohhh yeah
Please Mr. Jailer
Won't you let my man, won't you let my man, let him,
let him go free, ohhhh

That night in October 1953
How could he be in Frisco
He was home with me

Please Mr. Jailer
Won't you let my man go free, go free, go free, go
free, go free, go free
