Seems like the other day  
My baby, he went away  
He went away across the sea

It's been two years or so  
Since I saw my baby go  
And then this letter came for me

He said that we were through  
He'd found somebody new  
Let me think, let me think  
What can I do?

Oh no, oh no  
Oh no, no, no, no, no

Walking in the sand  
Walking hand in hand  
His smiles were so inviting  
The night was so exciting

Then he touched my cheek  
With his finger tips  
Softly, softly, softly  
We'd meet with our lips

Whatever happened to  
The boy that I once knew?  
Oh, the boy who said he'd be true

Oh, what happen to  
That the life I gave to you?  
Oh, what will I do with my heart now?

Oh no, oh no  
Oh no, no, no, no, no
