Listen

You can rock me
Rock me all night long.
Keep on rocking me baby
Rock me all night long.
Cause you know that when you rock me
My poor back ain't got a bone

.
You can roll me
Just like they roll the wagon wheel.
Way down in the country
Keep on rolling me baby
Roll me all night long.
You know
You can shake, rattle and roll me
Til my back ain't got a bone
And I won't mind that

Over here
Keep on rolling me baby
Just roll me all night long
I won't mind
Keep on rolling me baby
Roll me all night long
Cause you know what
When you shake, rattle and roll it
My old back ain't got a bone

So when you do it
Keep rolling me baby
Rolling me babe
Any old way you choose it
Keep on rolling me, ha ha
Keep rolling me honey
Till my old back ain't got a bone

Over there

Rocking me baby
Rocking me baby
Rock me honey
Rocking me baby

Whoaa
I don't mind which way that ya
Come on honey keep on
Rocking me baby
Rocking me baby
Keep on rocking me baby
You know you better
Keep on rocking me all night long
You can rock me baby yeah yeah
