Verse One:

Why I love to give you flowers on a Wednesday, 12
dozen roses at your door.

Or even light some candles when you come over for
dinner, I wouldn't mind to light a billion more.

Or how I like to wake up and see you with no make up,
I'd still give you a ring the way you are.

Or stay up on the phone late at night when you're
alone, looking out the window gazing up at stars.

Chorus:

So if you're wondering why I do the things that I do,
honestly I don't know what to say.

All these questions and answers, I just like to have her,
every moment every single day.

Repeat

Verse Two:

Why I love to hold you even in the public, you could call
it lovely PDA.

I don't care what city, you could pick out of the 50
states like California in the bay.

Or how I like to take you to church on every Sunday,
holding hands together as we pray.

I don't care if people hate, I don't care what people say,
cause my love for you will always be the same.

Chorus:

So if you're wondering why I do the things that I do,
honestly I don't know what to say.

All these questions and answers, I just like to have her,
every moment every single day.
