What will you find in your stockings
Good little girls and boys
Horses and donkeys and trumpets
Lots of wonderful toys

Dolly in lovely dresses
Tops, and a sword and gun
Rattles, and jacks in boxes
Jolliest things for fun

Play-houses, bows and arrows
Turkeys and ducks that squeak
Candies, and tiny tea sets
Baa-lambs woolly and meek

Old Santa will surely bring us
Some of these wonderful toys
Oh Christmas he always remembers
Good little girls and boys
