Holy Roller

get back you holy roller
let the poor boy through
heæŠ̄ got a message for you
let the devil play his dues
heæŠ̄ coming up with his hat in his hand
salvation army band
baby play that tambourine
farrakhan and jerry falwell
were playing tic tac toe
make your mark and pass the plate boys
læŠ̄³e got your sweet xo
somebodyæŠ̄ going to get the fatback buddy
we all got to swim big muddy
best meet me on the other side

alright mr. goody two shoes
I know where youæŠ̄³e been
I know all about redemption
I know all about sin
wash your hands and wash your face
letæŠ̄ all gather around and sing a amazing grace
we all ride the same train
