Wounded heart

I got more blue skies
than I got gray
I got more money
than bills to pay
I should be thankful
and grateful
but I'm not
I've got the will of a grumbler
and a wounded heart

I got an engine
that runs on extremes
I got leather gloves
and a slot machine
looks like I'm running fairly cool
but I'm not
I've got the will of a grumbler
and a wounded heart

I've got to cut all ties
I've got to cut all ties that bind
I've got to cut all ties
before I lose my head

I got more reason
to flip than fly
I got more reason
to live than die
I should be looking forward to the morning
but I'm not
I've got the will of a grumbler
and a wounded heart

I got a good place to hide
but I don't
I should just heal up inside
but I won't
I should be living it up
out in the parking lot

I've got the will of a grumbler
and a wounded heart
