I feel the time is coming

I walk into the night

Oh, I don't mind if the clock is turning

'cause I'm going to the other side

You either die

Or you keep on burning alive

And I am burning

And I am burning

And I am burning

And I am burning

I walked a long long distance

I'm feeling sore inside

Oh, I don't care if the sky is falling

'cause I'll never get to see the light

You either die

Or you keep on burning alive

And I am burning

And I am burning

And I am burning

And I am burning

You either die

Or you keep on burning alive..

And I am burning
