my eyes are  
a baptism  
oh i am filth  
and sing her  
to my face  
oh phantom elusive thing oh,

all flowers in time bend towards the sun  
i know you say that there's no-one for you  
but here is one,  
all flowers in time bend towards the sun  
i know you say that there's no-one for you  
but here is one, here is one... here is one

aah, ooh...  
one that can never be known  
either all drunk with the world at her feet  
or sober with no place to go

all flowers in time bend towards the sun  
i know you say that there's no-one for you  
but here is one,  
all flowers in time bend towards the sun  
i know you say that there's no-one for you  
but here is one, here is one... here is one

aah, ooh...

we could go  
we can travel round  
fading farther from me  
with your face in my window call

when will you weep for me  
sweet willow

it's ok to be angry  
but not to hurt me  
your happiness, yes, yes, yes  
darling, darling,  
ooh...

all flowers in time bend towards the sun  
i know you say that there's no-one for you  
but here is one,  
all flowers in time bend towards the sun  
i know you say that there's no-one for you  
but here is one, here is one... here is one
