If you knew

If you knew how I miss you  
You would not stay away  
Don't you know how I need you.  
Stay here, my dear, with me.

I need you here beside me  
Forever and a day  
Together, never parted  
Just you, just me, my love

I can't go on without you.  
Your love is all I'm living for  
I love all things about you.  
Your heart, your soul, my love

I can't go on without you  
Forever and a day  
I need you here beside me  
Forever and a day  
And no-one else betides me  
I love you, I love you.
