(Music by Curtis Fowlkes, Lyrics by Ray Dobbins and Roy Nathanson)

From the 1994 Jazz Passengers album In Love.

Slow birds

No breeze

Iron hearts

Rust in streams

Long march

Small crimes

Soft words

W h i s p e r

It's time to come home - your eyes

To bring back - your charms

To sit real still

In my arms

Clocks tick

Trees pound

Lions roar

On empty streets

Long lists

In black and white

(S h h) red words

That read like the Fourth of July

You're home

Look at me

You're home

Uhuh

You're home

In my arms
