(Originally by Led Zeppelin)

Oh, oh yeah  
Oh oh oh oh..  
Well well well well well well well well well  
Well well well well well well  
Well well well well well well oh babe oh babe oh baby  
Now listen, i'll tell you, a story about how I received a  
message from my brother across the water  
He sat laughin' as he wrote the end's in sight  
So I said goodbye to all my friends  
And packed my hopes inside a matchbox  
'Cause I know it's time to fly, oh yeah

Come on, come on now meet me in the morning,  
Meet me in the middle of the night  
Oh morning light is comin',  
Don't it make you wanna feel alright

Ooh Yeah, Oh  
Well well well well well well  
I just jumped a train that never stops,  
So now i said I wonder I never finished payin' for my  
ride  
Someone pushed a gun into my hand  
Tell me I'm the type of man to fight the fight for I'll  
require

Oh yeah come on, come on now won't ya meet me in  
the morning,  
Won't ya meet me in the middle of the night, night,  
night  
Oh everybody sing the mornin' time is comin',  
Don't it make you wanna feel alright, feel alright

Well, mama, well it must be time to leave  
And nothin' here to make me stay  
Well well well well I must be time, I'm goin'  
They're knockin' down them doors  
who doesn't know the time to take me away, oh

Please Mr. Brakeman, won't you ring your bell?  
Oh, go and make it loud and clear  
Please Mr. Fireman, won't you be my friend?  
Tell the people they got to just fly away from here

Oh oh oh oh oh..Oooh  
I once saw a picture of a lady with a baby  
Southern lady, had a very, very special smile  
We are in the middle of a change in destination  
When the train stops, all together we will smile

Oh yeah, come on, come on, come on now you meet  
me in the mornin'.  
Won't you meet me in the middle of the night, night,  
night  
Oh everybody sing the mornin' time is comin'  
Don't it make you, don't it make ya feel alright.  
M-m-m-m-make ya feel alright.  
Oh make ya feel alright  
Oh, alright  
Make ya feel, alright.  
Alright alright alright alright  
Alright alright alright alright alright alright  
Alright alright alright alright alright alright alright  
Alright, alright  
Alright alright, alright alright, alright alright alright  
Alright alright, alright alright, alright alright alright..  
now the people  
Make you feel, make you feel  
oh-oh-oh-oh-oh-oh-oh yeah.
