(M.Allison)

I'm sitting over here on Parchman farm  
I'm sitting over here on Parchman farm  
I'm sitting over here on Parchman farm  
Ain't never done no man no harm

Well, I'm putting that cotton in a never-full sack  
Well, I'm putting that cotton in a never-full sack  
Well, I'm putting that cotton in a never-full sack  
A twelve-gauge shotgun at my back

I'm sitting over here on Parchman farm  
I'm sitting over here on Parchman farm  
I'm sitting over here on Parchman farm  
Ain't never done no man no harm
