Well, this is our last goodbye
I hate to feel the love between us die
But it's over, just hear this and then I'll go
You gave me more to live for
More than you'll ever know

Well, this is our last embrace
Must I dream and always see your face
Oh, why can't we overcome this wall?
Maybe it is just because I didn't know you at all

Kiss me, please kiss me
Kiss me out of desire and not consolation
You know it makes me so angry
'Cause I know that in time
I'll only make you cry, this is my last goodbye, ooh

Well, did you say, "No, this can't happen to me"?
And did you rush to your phone to call?
Was there a voice unkind in the back of your mind
Saying, "Maybe you didn't know him at all"? Ooh

Ooh, goodbye [Incomprehensible]
Ooh yeah, yeah, yeah
Oh baby, oh yeah, yeah, yeah, oh yeah
My last, my last, my last goodbye
