Love me love me love me

Say you do

Let me fly away

With you

For my love is like

The wind

And wild is the wind

Give me more

Than one caress

Satisfy this

Hungriness

Let the wind

Blow through your heart

For wild is the wind

You...

Touch me...

I hear the sound

Of mandolins

You...

Kiss me...

With your kiss

My life begins

You're spring to me

All things

To me

Don't you know you're

Life itself

Like a leaf clings

To a tree

Oh my darling,

Cling to me

For we're creatures

Of the wind

And wild is the wind
So wild is the wind

Wild is the wind
Wild is the wind
