Well, I've got a steady job that pays enough  
A pretty good car that don't break down much  
I've got a two-tone hound dog wagging his tail  
Ed McMahon promising a million in the mail

Ought to be enough to see me through  
But it don't mean nothing  
If I ain't got you

I've got every eight track that Elvis ever made  
Crank it up loud and dance the night away  
I've got Chardonnay chillin' in the Frigidaire  
A dozen ways of telling you how I care

Just out the window, there's a lover's moon  
But it don't mean nothing  
If I ain't got you

If I ain't got you  
Baby, it's all in vain  
If I ain't got you  
Oh, it's like a honeymoon without champagne  
A shiny set of rails without a train

Well, I've got a little dream about the rest of my life  
Find a good man and be the perfect wife  
Start a little family and watch it grow  
Visit on Sundays after we get old

Make enough love to last a whole life through  
But it don't mean nothing  
If I ain't got you

If I ain't got you  
Baby, it's all in vain  
If I ain't got you  
Oh, it's like a honeymoon without champagne  
A shiny set of wheels without a train

I've got a doublewide heart with room for two  
But it don't mean nothing  
If I ain't got you

No it don't mean nothing  
If I ain't got you
