My heart has grown so cold  
I've let the darkness in  
I've said You are everything  
But still You weren't enough  
I've not been true to You  
My life has hurt you, Lord  
I'm running back into the safety of Your hand

I wanna be free in Jesus  
I wanna be satisfied in You and You alone  
Take this heart  
Take my life  
Pull me close  
Satisfy

My heart has heard Your call  
But I have closed my ears  
I've said I would follow You  
But still I've chased the wind  
I've stretched my hand toward You  
While holding to this world  
But now I'm letting go  
And reaching out to You

I wanna be free, Jesus  
I wanna be satisfied in You and You alone  
Take this heart  
Take my life  
Pull me close

I want to be free, Jesus  
I want to be satisfied in You and You alone  
Take this heart  
Take my life  
Hold me close  
Satisfy

I wanna be free (7x)

(Chorus 2x)

I'm letting go  
I'm letting go, Jesus  
Cause I wanna be free
