You have captured me
More than life itself You've moved me
How I long to bow
At the feet of the One who saves me

Jesus, thank You for the Cross
Savior, the One who sets me free
Jesus, thank You for Your blood
Jesus, Jesus, thank You for life
Thank you for life

You stole Heaven's heart
In your pain You pleased Your father
Angels stood in awe
While You carried the shame for me

Oh Jesus, thank You for the Cross
Savior, the One who sets me free
Jesus, thank You for Your blood
Jesus, Jesus, thank You for life

Oh, there's nothing great that You haven't done
Than to lose Your life to gain my soul
There is nothing that compares to this
No, nothing, no, nothing

Jesus, Savior, Redeemer
Thank You for the life, oh...

Jesus, thank You for the Cross
Savior, the One who sets me free
Jesus, thank You for Your blood
Jesus, Jesus, thank You for life, oh...

Jesus, thank You for the Cross
Savior, the One who sets me free
Jesus, thank You for Your blood
Jesus, Jesus, thank You for life
Thank You for life
