Today I started
Loving you again
I'm right back
Where I've really always been

I got over you just long enough
To let my heartache mend
Then today I started
Loving you again

What a fool I was
To think I could get by
With only these few million
Tears I've cried

I should have known
The worst was yet to come
And that crying time
For me had just begun

Then today I started
Loving you again
I'm right back
Where I've really always been

I got over you just long enough
To let my heartache mend
Then today I started
Loving you again

Yes, today I started
Loving you again
