I can see a change in me
Since you came into my heart
I can find a peace inside
Since you came into my heart

I can feel this heart of mine
Falling for my King
I can feel this love of Yours
All around

CHORUS
Falling down like rain
Your love is falling on my face
Falling down like rain
Your love is here
Your love is near

Love is here in place of fear
Since You came into my heart
Gone is doubt, now faith abounds
Since You came into my heart
