I humble myself before You  
And I lay myself down below You  
In reverence, I bow  
Beneath You, my Lord

And I draw near to you forever  
My Savior, my God, my treasure  
And I stand here in awe  
Indebted to You, my Lord

'Cause I fear You, my God  
And I fear You, my King  
And I trust You with my soul  
And I love You with all my heart  
And I fear You with all my life

I feel like a child around You  
As I let all my praise surround You  
And I fall on my face  
Astounded, my Lord, my Lord

'Cause I fear You, my God  
And I fear You, my King  
And I trust You with my soul  
And I love You with all my heart

'Cause I fear You, my God  
And I fear You, my King  
And I trust You with my soul  
And I love You with all my heart  
And I fear You with all my life

I fear You, my God  
And I fear You, my King  
And I trust You with my soul  
And I love You with all my heart  
And I fear You with all my life

You hold the oceans within Your hand  
You count the galaxies  
You know the mysteries of this world  
You see what no one sees

Your hand can span the whole universe  
You gave the stars their fame  
You know my deepest of secrets, Lord  
But still You have called me by name  
Still You have called me by name

And I fear You, my God  
And I fear You, my King  
And I trust You with my soul  
And I love You with all my heart

And I fear You, my God  
And I fear You, my King  
And I trust You with my soul  
And I love You with all my heart  
And I fear You with all my life

And I fear You and I trust You  
And I love You, oh
