I know my heart is Yours  
I know my world is your hands  
I know my destiny  
I know with You is where I stand

My life is not my own  
The price was paid by  
You alone

#### CHORUS

I forever praise you  
I forever hold you high  
I forever love Your name, Jesus  
I forever trust You  
I forever give my life  
I forever love Your name, Jesus

I know my past is gone  
I know my sin is washed away  
I know my purpose now  
I know I'm here to live my praise

My life is not my own  
My heart belongs to
