## "I Love You"

Visit "[I Love You](#)" on [MotoLyrics.com](http://MotoLyrics.com)

No one moves me like You  
No one loves me like You  
No one cares like You do  
No one

No one moves me like You  
No one loves me like You  
No one cares like You do  
No one

I just want to be where You want me to be  
I just want to stay with You

I love You  
I need You  
I praise You  
I love You

Jesus

No one knows me like You  
No one fills me like You  
No one holds like You do  
No one

No one knows me like You  
No one fills me like You  
No one holds like You do  
No one

I just want to be where You want me to be  
I just want to stay with You

I love You  
I need You  
I praise You  
I love You Jesus

I love You  
I bless You  
I thank You  
I love You

Jesus  
Come, worship You  
There's no one like You

I just want to be where You want me to be  
And I just want to say what You want me to say  
I just want to be who You want me to be  
I just want Your way in me

Oh, I love You  
I need You  
I praise You  
I love You Jesus

I love You  
I bless You  
I thank You  
I love You
