Here at Your feet, I'll always be
With the Angels crying, 'Holy'
There's not one thing that means
As much to me as You my God, as You my King

Here in the darkness
I lift my eyes to You
Your light comes shining through

Jesus, I surrender
I draw nearer, I fall down
Master, be my Savior
Be my shelter, be my God

Here at Your feet, I'll always be
With the Angels crying holy
There's no one else who can compare to you
The righteous One, the perfect Son

Here in this silence
I hear You speak my name
And I cry out to You

Jesus, I surrender
I draw nearer, I fall down
Master, be my Savior
Be my shelter, be my God

Be my God
Be my God

Here in the darkness
I lift my eyes to You
Your light comes shining through

Here in this silence
I hear You speak my name
And I cry out to You

Jesus, I surrender
I draw nearer, I fall down
Master, be my Savior

Be my shelter, be my God

Jesus, I surrender
I draw nearer, I fall down
Master, be my Savior
Be my shelter, be my God

Be my God
Be my God
Be my God
Be my God
