I stand here in awe, and I lift up a song
With all my heart, with all my soul
My God made a way, so I sing out in praise
With all my mind, with all my strength

Magnify, glorify
All the earth, testify
Magnify, glorify
Let us love the Lord Most High
Let us love the Lord Most High

Renewed and restored, I trust in the Lord
With all my heart, with all my soul
Resolved and redeemed, I worship the King
With all my mind, with all my strength

Magnify, glorify
All the earth, testify
Magnify, glorify
Let us love the Lord Most High
Let us love the Lord Most High
The Lord Most High

We believe and we delight, in God our Rock, the Lord
Most High
And we exist to praise His holy name
No one else in earth or sky compares to Him, the Lord
Most High
And we exist to praise His holy name

Magnify, glorify
All the earth, testify
Magnify, glorify
Let us love the Lord Most High
Let us love the Lord Most High
The Lord Most High
