"Love Of God"

Visit "[Love Of God](#)" on MotoLyrics.com

Nothing in heaven or on earth
Ever will keep me from Your love
Love that is more than all I need
Love that is everything to me

Now I will give away this love
Just as it gave itself for me
Rivers of living water flow
So that the world might come to know

CHORUS

The love of God is great
The love of God is good
The love of God runs deep
The love of God
The love of God is true
The love of God is sweet
The love of God runs deep
The love of God

There is a love that conquers all
It is the power to set us free
Free of the cares this world pursues
Free to be given unto You

Bridge

Loving You is amazing
Loving You is amazing
