A crown of thorns, a mockery
Of You my God, of You my King
You took my place
A place so bleak and cold

A crown of thorns
A symbol of a desperate deed
Your desperate love
Your kindness, Lord
Resounds inside of me

There will never be a crown so cruel
You wore it like a king, a King of fools
You will always be the only King of kings

A crown of thorns, a crown of hate
For all You had, for all You gave
The King of all would rather serve than reign

There will never be a crown so cruel
You wore it like a king, a King of fools
You will always be the only King of kings

Crowned with many crowns
Crowned with many crowns
Crowned with many crowns
You are crowned with many crowns

A crown of thorns, a crown of death
Forsaken by both God and man
But You prevailed to live and reign again

And I know that there will never be a crown so cruel
You wore it like a king, a King of fools
You will always be the only King of kings, yeah

There will never be a crown so cruel
You wore it like a king, a King of fools
You will always be the only King of kings

The only King of kings
The only King of kings
