And I will worship You with all of my heart
And I will worship You with all of my mind
And I will worship You with all of my strength
For You are my Lord, You are my Lord

More love, more power
More of You in my life
More love, more power
More of You in my life, Jesus

More love, more power
More of You in my life
More love, more power
More of You in my life

And I will worship You with all of my heart
And I will worship You with all of my mind
And I will worship You with all of my strength
For You are my Lord, You are my Lord

More faith, more passion
More of You in my life
More faith, more passion
More of You in my life

I will worship You with all of my heart
And I will worship You with all of my mind
And I will worship You with all of my strength
For You are my Lord

And I will worship You with all of my heart
And I will worship You with all of my mind
And I will worship You with all of my strength
For You are my Lord

And I will worship You with all of my heart
And I will worship You with all of my mind
And I will worship You with all of my strength
For You are my Lord, You are my Lord
You are my Lord, You are my Lord, my Lord

I worship You, I worship You

I worship You, I worship You
I worship You, I worship You
I worship You, I worship You

I worship You, I worship You
I worship You, I worship You
I worship You, I worship You
I worship You, I worship You

I worship You, I worship You
I worship You, I worship You
I worship You, I worship You
